

Easy Bins Southland Ltd Casual Bin Hire

Terms & Conditions

1. Delivery: We will do our best to supply the skip bin Service on the day requested. Easy Bins Southland Ltd may have a cut-off time for orders to be received to accommodate your delivery day request.
2. Hire term: The standard term for short term skip Service rental is for three days; pick-up will be automatically scheduled on the fourth day. If you need to adjust the removal date, please advise at the time of booking and we will endeavour to accommodate this.
3. Removal: - If your removal date falls on a Sunday or public holiday, the bin hire removal will be scheduled for the next working day following that date.
4. Payment can be made by Credit Card/Eftpos or Cash at the time of delivery or prior by Direct Credit.
5. In confirming your booking, you acknowledge the following
 - a. The site access is free from obstacles (including any overhead cables)
 - b. There is sufficient space available for the truck to place the bin and that the ground is capable of handling the weight of the truck without damaging any hard standing or becoming stuck (allow 10 tonne)
 - c. Easy Bins Southland Limited will not be liable for any damage resulting from the vehicle entering your site apart from any negligent committed act by the driver
6. For health and safety reasons, the bin must not be overfull. Overfull skips will not be removed from the site until made safe.
7. The bin must NOT contain Tyres, Asbestos, Liquid Paint, Chemicals, Vehicle Batteries, Gas Bottles, Oil, Dangerous Goods, Polystyrene and any other toxic or hazardous waste.
8. There is an extra charge for Whiteware.
9. Hardfill (concrete, tiles etc) can only be removed in 3m3 bins due to weight restrictions and it must not contain any general waste material.
10. Clean fill (soil, dirt etc) can only be removed in 3m3 bins due to weight restrictions and it must not contain any general waste material.
11. General waste bins must not contain any Clean Fill or Hard Fill material
12. Skips placed on site are not to be re-positioned. Easy Bins Southland Ltd, will not be responsible for any damage caused to property on removing a skip re-positioned by the customer after delivery.
13. The bin delivered may vary from that shown. Volume of the bin will match what has been selected however the dimensions and shape may differ.
