

User Guide: Bin Logistics

Explanation: The Bin Logistics page allows you to track the location of your bins on a map using customizable filters.

How to Filter Bin Logistics:

The screenshot displays a map of New Zealand with several bin locations marked by colored icons (red 'TS', green 'EB', and black 'EB'). The sidebar on the right contains the following sections:

- 1. Date Range Filter:** A tabbed interface with 'TODAY', 'TOMORROW', and 'BY ZONE' tabs. Below is a 'Custom' section with 'Start Date' and 'End Date' input fields.
- 2. Filter By:** A section titled 'FILTER BY' with icons for 'Deliveries', 'Pickups', 'Liquid', 'Front Lift', and 'Wheeler'. Below these are 'Unassigned', 'All Driver', and 'View All' options.
- 3. Task Detail:** A section titled 'TASK DETAIL' showing a task assigned to 'Craig Chamberlain'. The task is 'E-NNQ7QKEFRTC6 (frontlift bin)' at 'INVERCARGILL APARTMENT HOTELS - - INVERCARGILL APARTMENT HOTELS, Wood Street 9810'. It includes a 'Submit' button and a 'VIEW TASK' button.

1. Date Range Filter: You can filter bins by selecting "Today," "Tomorrow," or customizing the start and end date.
2. Filter By: Choose the task you want to track—either Deliveries or Pickups.
3. Task Detail: After selecting the filter, you'll see the task details based on the chosen task (Deliveries or Pickups).
