

USER MANUAL RENTAL BIN CONTRACT

Rental Bin Contract List

Rental Bin Contract List

The screenshot shows the 'Rental Bin Contract' interface. At the top right, a blue button labeled 'Create Rental Contract' is circled with a '1'. Below this, a filter bar contains a dropdown for 'All Status', input fields for 'Date Start' and 'Date End', a search field with placeholder text 'e.g. order code, customer name or grand total', and a green 'Filter' button. A red box highlights the filter bar area, with a '2' callout. To the right of the filter bar is a download icon, circled with a '3'. The main table lists contracts with columns: Code, Project Name, Company, Customer, Created at, Order Type, Contract Status, and Status. A red box highlights the table area, with a '4' callout. A modal dialog is open over the table, showing 'Edit' and 'Cancel Order' options.

This is the “Rental Bin Contract List” menu. In the menu there are several actions including :

1. Create Rental Contract
2. Filter by status, Date start, Date end, and customer name
3. Download the Rental Bin Contract list
4. Edit and cancel rental bin contract

1

Create Rental Contract

The image shows two overlapping web application windows. The background window is titled "Rental Bin Contract" and features a header with a blue "Create Rental Contract" button, which is highlighted by a red rectangular box. Below the header, there are filter controls including a dropdown menu set to "All Status", input fields for "Date Start" and "Date End", a text input field with the placeholder "e.g order code, customer r", and a green "Filter" button. A download icon is visible in the bottom right corner of this window. The foreground window is titled "Rental Bin Quote" and has buttons for "Order Bins", "Clear", and "Back" in its top right corner. It contains two main sections: "CUSTOMER LOOKUP" with a search bar labeled "Search (name, email, phone, code)" and a hint "type 3 character for result", and "CONTRACT DETAILS" with input fields for "Project Name" and "PO". A curved arrow points from the "Create Rental Contract" button in the background window to the "Rental Bin Quote" window.

This action enables users to initiate the creation of a new rental bin contract

The menu provides versatile filtering options to facilitate a targeted search for specific rental bin contracts. Users can filter contracts based on the following criteria:

- Status: Filter contracts based on their current status.
- Date Start: Narrow down contracts based on the start date.
- Date End: Refine the search by specifying the end date of the rental period.
- Customer Name: Facilitate quick searches by filtering contracts associated with a specific customer.
